## STEP 2: NAMING YOUR TINY HOME

Not everyone names their residence of course, but at **Elevate Community** we like the idea of providing each of the otherwise very similar tiny homes, with a totally unique and meaningful name. As a tiny home sponsor, the name you choose is completely up to you. Below are some creative guidelines and inspiration for your selection. The name you choose for your tiny home will appear on a 10" X 12" vertical plaque (see below) to the right of the front door and stay there, even if home occupancy changes.

1. Because simple is always better, especially for signage, please keep your name to 25 total letters and spaces. Any longer than 25 characters will likely be abbreviated anyway and might miss the original intent of your creative selection.
2. Since the name sign appears on the front of the home, there is no need to add "home, house or cottage" to your name. When you wear a name tag it does not say "human, man or woman" after your name, right?
3. The best names capture the character of the home and the sponsor. It might reflect the core values of your organization, honor a founder, or highlight your mission, vision or goals.
4. If your home is named in memory of a specific person, it is best to choose either the first or last name, a nickname or something special or meaningful to that person. Having the full name of an actual person on a home implies that it is their residence, rather than the name of the home.
5. Some people let a home's design, location or surroundings inspire its name. Others borrow from favorite scripture, literature or poetry. A pronounceable acronym or foreign word or phrase can be used as well. However you determine your home's name, choose it with love, hope and optimism for the resident and the community who will call it home.

## STEP 3: CARE TEAM PARTICIPATION

As a tiny home sponsor, you have the opportunity to play an important role in **Elevate Community's** success by providing a volunteer Care Team for your home's resident. Anyone can build housing, but to make a home and a community function correctly, caring people must offer friendship, encouragement and support to their neighbors nearby. Ideally, your **Elevate Community** Care Team has 6-8 members and is a mix of male/female, personality types and skills. Providing help with budgeting, lawn care, cooking, shopping and social skills are some of the ways you may want to assist.

All volunteers working with residents will be given guidelines and training, as well as assistance from the **Elevate Community** staff. As with all our sponsorship options, it is available to you but not required. If you are not able to provide a Care Team for a resident, we will find a team who can, so no **Elevate Community** resident will be without the relational support they need to thrive.

Please choose one of the options below:

FURNITURE AND/OR LANDSCAPING PACKAGE FOR YOUR HOME.**

## STEP 4: FURNITURE PACKAGE SELECTION

Tiny home sponsors may choose to select their cabinet finish or leave that choice up to the furniture package sponsor of their tiny home. Either way your name will appear on a 9.25" X 6.5" plaque inside the home near the front door and primary electrical switch. Signs are limited to two lines of 15 characters each.

If you would like furniture package sponsor recognition, please complete the character blanks below. If you DO NOT want this recognition inside a tiny home, just write N/A on this portion of your form.

## STEP 5: LANDSCAPING SELECTION

Tiny home sponsors may choose to sponsor the landscaping of their tiny home as well. If you are the home's sponsor or the landscaping sponsor only, your name will appear on a 9.25" X 6.5" posted sign outside the home to the right of the entry staircase. Signs are limited to two lines of 15 characters and spaces each.

If you would like landscaping package sponsor recognition, please complete the character blanks below. If you DO NOT want this recognition outside a tiny home, just write N/A on this portion of your form.
