# BRAND ESSENCE

# SIMPLE BEGINNINGS AND STEADY GROWTH

In 2008, Bryan and Amy Stallings founded **Elevate Branson**, originally known as Jesus Was Homeless, and began serving the area's homeless, hurting, and hopeless with a traditional Thanksgiving dinner. Since then, this nonprofit, Christian-based organization has steadily grown its services, programs, and impact on the community.

**Elevate Branson** reaches out to those who are struggling. Every week, an enthusiastic group of staff and volunteers visit the area's motels and offer a smile, a sack meal and a bit of hope to those who are living there. When doors are opened, the opportunity for job skills training, healthcare access, faith renewal, children's enrichment, fellowship and a sense of belonging can follow. All of our programs are designed to empower our neighbors to build a better life for themselves and their families.

**Elevate Branson** transforms lives and restores faith. Program participants find the hope, love, and dignity they need to reach their full potential.
